

EXPLORE

PROFESSIONAL LEARNING AT GRIFFITH

What is Explore?

Explore is an amazing tool which allows you to search Learning and Teaching practices, technologies and strategies that will inspire and engage our learners.

Entries in Explore are created by Griffith staff members from across the university, allowing you to share your experiences with or be inspired by your peers.

If you would like to contribute, please log into Explore and click on the Contribute button. Go to: <http://tiny.cc/griffith-explore> and log in with your Griffith account

Items of interest

Find out more about teaching strategies or technologies in use at Griffith.

Faculty Sparks & Stories

Get inspired by Griffith staff as they share their own teaching and learning practice and innovations.

Various navigation pathways

Search using keywords, people or groups.
Complete the "I want to..." phrase to find inspiration.
Filter entries by tags, recently updated or trending.

Share your experiences

As a Griffith staff member, we want to hear your experiences. Each entry in Explore allows you to share your personal experience.

Contribute to Explore!

We invite you to contribute your Faculty Spark or Item to this collection to ensure that it is a rich, diverse and current resource.

Entries can incorporate text, images and video – a great way to showcase your innovation or teaching practice.

Go to: <http://tiny.cc/griffith-explore>, log in and click on the Contribute button.
